

For God's Sake Please Stop  
this torture of animals.

This is not a Christian thing  
to do.

These animals hurt the same  
as you. They care for their  
young more so than humans  
who torture and murder their  
own children and others.

Anything that bleeds hurts.

God did not have Noah  
save the animals to be  
treated with horrible cruelty.

Stop the Blooded Animal Trade.

Open your mind and heart.

It's sadly ironic even to call these gentle, feeling beings "farm" animals. The majority of them won't ever have been on a farm, stood on grass, or even been outside in the sun ... until they leave their "barns" (actually, more like warehouses) for their trip to the stockyard or slaughterhouse.
